

Amendments to the Drawings:

The attached replacement sheets of drawings are submitted in response to the Notice of Draftsperson's Patent Drawing Review, dated August 2, 1999 and included in the non-final Office Action mailed August 14, 2003, in which the top margins for Figs. 1A and 3 were objected to for lack of compliance with 37 CFR 1.84(g). The applicant submits herewith a complete set of drawings that meet the requirements under 37 CFR 1.84(g). No new matter has been added.

REMARKS

The applicant submits herewith a complete set of drawings and a corrected Information Disclosure Statement by Applicant.

The complete set of drawings submitted herewith includes Replacement Sheets 1 and 4, which have corrected top margins for Figs. 1A and 3, respectfully. The remaining drawings of the complete set are also submitted for the convenience of the Office. The applicant respectfully requests that the examiner accept the drawings of the Replacement Sheets.

A corrected Information Disclosure Statement by Applicant is submitted herewith to replace the original Information Disclosure Statement by Applicant, submitted March 28, 2000. The original Information Disclosure Statement by Applicant listed as references several documents available on the Internet, where the citations for the documents did not include the date on which the documents were retrieved from the Internet. The examiner considered and initialed all citations of the original Information Disclosure Statement by Applicant on July 1, 2003 and included the signed Information Disclosure Statement with the non-final Office Action mailed August 14, 2003. The examiner later included an annotated copy of the signed Information Disclosure Statement by Applicant with the Notice of Allowance mailed May 19, 2008, where the annotations indicated "no date" next to the citations that did not include the date on which the documents were retrieved from the Internet. The corrected Information Disclosure Statement by Applicant submitted herewith includes the same references listed in the original Information Disclosure Statement by Applicant, where the citations that previously lacked dates of retrieval now include the dates on which the documents were retrieved from the Internet. The applicant respectfully requests that the examiner indicate acceptance of the corrected Information Disclosure Statement by Applicant, the references of which were previously considered by the examiner.
